

Award-winning, freelance digital communications specialist producing compelling and innovative media for environmental issues and projects. Specialising in visual storytelling for maximum impact, delivering core messages through graphic design, animation, and film. Hard-working, creative and determined, I am ready to package your projects and campaigns into visual vignettes to communicate to your various audiences and inspire action. Currently based in Bristol, UK.

## Experience

---

- 2018 - **Creative Director**  
Mangrove Action Project  
Enhancing and improving visibility, marketing and communications by producing multimedia content including animation, videos, short documentaries, info-graphics and print media for promotional, awareness and fundraising campaigns.
- 2013 - **Visual Communication Specialist**  
Freelance  
Working with various organisations and campaigns to produce compelling, appropriate and informative tailor made media to succinctly explain their ideas and projects. Produced various pieces that have galvanized project teams, raised investment and funding or simply gone viral and brought an awareness to a simple idea or cause with a call to action.
- 2009 - **Partner**  
Room60 LLP  
Ran Room60; producing animation and graphics for public consultations, competitions, tenders and projects for a range of organisations across the UK and Europe.
- 2013 -14 **Animation Specialist**  
Greater Mekong Subregion - Environment Operations Center  
Hired to produce animations to introduce the project and could later be translated into the various languages of the Core Environment Program and Biodiversity Conservation Corridors Initiative.
- 2008 -12 **Visiting Lecturer**  
Kingston University London  
Assisted undergraduate studio activities whilst running a communicating skills module for 1st year Landscape students.
- 2006 -07 **Graduate Landscape Architect**  
Coe Design  
Assisted on various landscape design and build projects across the UK and Europe.
